

WELCOME TO MIDWEEK CONNECT

Pastor Carol and I wish to personally invite you to join us every Thursday evening for our New Midweek Connect: a midweek experience created to meet the spiritual growth and fellowship needs of the entire family.

This new format will provide a variety of ways for everyone to engage in a non-lecturing environment, allowing every participant an opportunity to personally minister and encourage one another in a safe environment.

Adults participate in **small group breakouts** with relative and intriguing topics and biblical solutions.

A NEW FACE TO MIDWEEK!

Our Midweek services have changed from Wednesday to Thursday evenings.

Our Midweek has been given a new name: MIDWEEK CONNECT

Our Midweek offers a completely new and engaging format that includes the entire family from nursery to seniors.

Our new Midweek Connect minimizes the following objections of parents in bringing their children to the Midweek activities:

“I have to prepare meals for the family”

► Meals will be prepared by volunteers on a weekly basis. Parents won't have to be concerned with preparing dinner for the kids, enabling them to attend and arrive in time for Midweek.

“My child needs to complete their homework before it's too late”

► During and after the meal, dedicated teens and adults will be available to assist youth with homework assignments.

“My child needs to be in bed before it get's too late”

► We have set the end time for MWC @ 8:15am. This should be plenty of time for your child to return home and get adequate rest for the next day.
